

## Testing Schedule FAQs for Families (April 2018)

### Which students are required to test?

All students in semester 2 and year long Math I or II, English 9 or 10, American Government, Biology or American History are required by state law to test. Students who are enrolled in AP American Government or AP American History are not required to take the AIR tests.

### Which AIR tests are offered each day?

- April 20th - English 9 / 10 - testing schedule A \*210 minute test
- April 23rd - American History / American Government - testing schedule B \*180 minute test
- April 24th - Integrated Math I / II - testing schedule A \*180 minute test
- April 25th - Biology - testing schedule B \*180 minute test
- April 26th & 27th - make up testing

### What should students bring/not bring on the testing days?

**Bring** → Pencil, calculator for the math test, headphones for all tests except English, and work not related to the test content to complete if a student finishes early.

**Do not Bring** → Any electronic device (phone, chromebook, laptop, etc.) or homework related to the test content.

1:05 - 2:25 1st Block	1:05 - 2:25 4th Block	1:05 - 2:25 1st Block	1:05 - 2:25 4th Block

### Where will students test?

Testing will occur in classrooms; classroom assignments will be posted on the cafeteria windows on April 17th

### If students do not have a test when do they arrive?

Students who do not have a test on the respective day will have a late arrival. Classes begin at 11:50 on Friday 4/20, and 11:35 on the 23rd, 24th and 25th.

### Why is the time longer on Friday the 20th?

Friday is the English Language Arts I/II test, these tests are 30 minutes longer than the rest.

### When and who will eat lunch each day?

Students who are testing and those that arrive early will be able to eat lunch each day. Only one lunch will be offered. Students who arrive late (after testing) should eat lunch prior to arriving.

### What is the bus schedule on these days?

All buses will arrive and pick at up normal times each day.

### What if my student does not have any other transportation means besides the bus and does not have to test?

Students who do not have a test and arrive at normal time will be monitored in the cafeteria during testing.

### Which doors will be open at late arrival?

Both the back and front doors will be open during these respective times. Entrances will be monitored by staff.

On Friday from 11:15-11:50 Monday, Tuesday and Wed., they will be open 11:00-11:35

### What classes will the students have each day?

To help maintain the block schedule following testing students will have 2nd then 1st blocks on Friday and Tuesday, and then will have 3rd and 4th blocks on Monday and Friday.
