

LHS DAILY ANNOUNCEMENTS

12/6/2017

Attention sophomores and juniors - the College Board will be releasing the results from the 2017 PSAT/NMSQT on Monday, December 11. Please see this link for specific steps to take in securing these -

https://collegereadiness.collegeboard.org/psat-nmsqt-psat-10/scores/getting-scores?ep_mid=11421253&ep_rid=107313373

Upon logging into their College Board accounts, the LHS school counselors highly encourage all students to link with Khan Academy for personalized free test prep for the SAT. Steps to accomplish this will be clearly indicated upon logging in.

We will also distribute the paper copies of the results along with the test booklets sometime in December. Please note - all of this information is available via the College Board student account. Please don't hesitate to contact Mr. Mitchell (mitchedr@lovelandschools.org) with any questions about this.

It's back . . . Donuts for \$1.00! Bonnie Lynn Donuts will be sold **TOMORROW, Thursday AND next Thursday** from 6:45-7:20 in front of the cafeteria.

Senior lunch for December is Penn Station - lunch will be sold next week on Monday and Tuesday and will be delivered on Wed Dec 13th

Congratulations to **FIRST Robotics Team 5040** on their outstanding performance at the WV State FTC competition. Team 5040 won the Innovate Award and were a member of the finalist alliance. They were also a finalist for the Control Award and the Design Award. The team competes in Dayton this coming weekend.

The LHS Crochet Club continues to meet every Wednesday (no meeting today due to early release) after school from 2:30 to 3:30 in Room 209. Everyone is welcome to join in to explore this fun and relaxing form of fiber arts (we like to make things out of yarn!). You don't need to bring your own yarn and hook. There are plenty to share!

TPUSA will be having a meeting after school TOMORROW, Thursday, December 7 in room 259B (Mr. Warden's room in the library.) There will be snacks and drinks.

Freezing overnight temperatures are forecast the next several days. OUR homeless American veterans will be looking for shelter at a number of locations, but shelters fill up fast and exposure is imminent. The Operation Winter Weather gear will sustain OUR veterans. We have collected a great number of items and we have just seven school days left. Bring in a \$1.00 Hat from Family Dollar or a \$2.00 hat from Dollar General. On behalf of Mrs. Dell, The National Honor Society, and The My GI Foundation we THANK YOU for your efforts and compassion. Go Tigers

Are you interested in learning about sports medicine? Do you like sports and helping others? The Loveland High School athletic trainers, Bailey Gerke and Bryan Jett, are looking for athletic training students to help out next semester. This is a great opportunity to gain first hand athletic training and sports medicine experience before entering college.

If you're interested, applications can be picked up from the Athletic Office or Athletic Training Room. Fill out and return applications to Athletic Training Room **by December 15, 2017.**

There will be a Thespian Meeting on Friday, December 8 after school in the cafeteria. All currently inducted members are expected to attend unless they speak with Mr. Jones or a Thespian Officer.

The Holiday Homecoming, presented by Loveland Show Choirs, will take place on Saturday, December 9th. There are 2 opportunities to see these great choirs perform: 5:00 and 7:30pm. Ticket prices are \$7.50 for adults and students. The link to purchase tickets is <https://goo.gl/KTy02p>.

LHS DAILY ANNOUNCEMENTS

12/6/2017

Attention juniors- Are you interested in the topic of innovation and shaping the world you will inherit? Would you like to attend a week-long, interactive program and learn about the impact of innovation and challenging issues ranging from who owns innovation to our personal and community responsibility to share (or control) the results? If the answer is yes you should consider attending the World Affairs Seminar Program this summer at Carroll University in Waukesha, Wisconsin. Students must apply to be considered for this summer program. The program will be held from June 10 to June 18. The program tuition is funded by the Rotary Club of Northeast Cincinnati but families/student will need to pay the cost of transportation to Carroll University. Not all applications will be chosen. Please see Ms. Hamilton in the Office of School Counseling for more information or to get an application. Deadline to submit the application to the Office of School Counseling is **December 8, 2017 by 2:30 p.m.**

The Loveland Initiative will host the 21st Annual Christmas Toy Store Drive

Start Date for collection of NEW UNWRAPPED Toys & Gifts

NOW through December 13th, 2017

Christmas is a wonderful time of year, and should not be missed by any child. With our Annual Toy Store, we make it a wonderful experience for under-served parents and their children. The Toy Store was created to help families who could not afford to spend much on toys and gifts. Purchasing toys and gifts at a discount helps parents feel that they are contributing to their child's Christmas while enabling the parents to choose items based on their child's interests and needs. We are committed to using the money raised by the Toy Store for the betterment of children and families in Loveland. Since 2001, the money raised has been used for the Tracy L Johnson Scholarship Fund which assists a student to further his or her education.

Drop off donations at any of the Loveland School District buildings during school hours starting November 1, through December 13.

Please feel free to call Mary Hensley 513-406-9098 or Shionee Blust e-mail

johnshionee@gmail.com or the Executive Director Terri Rogers 513-739-2354 trogers7@fuse.net with any questions or concerns.

The Loveland Initiative is a 501c (3) organization. Your contribution to a nonprofit is tax deductible for federal income tax purposes.

ATHLETICS

Any boy who is interested in trying out for the high school tennis team in the spring please see Mrs. Hudson **THIS WEEK** in Room 124 to pick up information concerning the team clinic at Harper's Point and tryouts.
